WHATSAPP ANNOUNCEMENT

*Assalamualaikum Dear Community,

RAMADAN MUBARAK 

After a long efforts of reconciliation and mediation efforts all failed. ICCSC community has taken next steps of not letting Sh.Abudahir and Mustafa lead salah's at ICCSC for last two days. This is the beginning to end of dictatorship and authoritarian functions at ICCSC for last 10+ years, this new beginning will continue until we achieve democracy and peace in the community.

Alhumdullilah, ICCSC Shura has hired a dynamic young Imam "Qari Abdelrahman Elkinaney" born in US and Egyptian origin to lead daily Salah and Tarawee prayers for this blessed month of Ramadan

ICCSC new Imam is Bachelors in Bio Medical engineering and Masters in Islamic studies will be an inspirational leader for our next generation and youth.

Please everyone coordinate and help our new Sheik to lead our prayers and ibada in this blessed month of Ramadan.

Jazakallah
ICCSC Shura
