Subject: Excused Absence for Eid al-Fitr

Dear School Administrator,

I am writing on behalf of the Muslim community at ICCSC to request the excused absence _____, who attended Eid al-Fitr prayer on Friday, March 20th, 2026.

Eid al-Fitr marks the end of Ramadan and is one of the two most significant religious holidays in Islam.

This absence should not be counted against the student, as they participated in religious obligations and festivities with their family.

We sincerely appreciate your understanding and cooperation in accommodating this important religious observance. If you have any further inquiries regarding Eid al-Fitr, please feel free to reach out to the **Islamic Community Center of South Charlotte** via email at info@iccsc.org.

Thank you for your attention to this matter.

Sincerely,

Marlon Haniff, President
