

ICCSC Shura Election 2025 Manifesto – Mehdi Wajih

Introduction:

I have been a member of ICCSC Masjid for 11 years and a Shura member since 2019, actively supporting community programs and working to strengthen our Masjid.

Vision:

ICCSC Masjid:

The Masjid's nature and use have recently been challenged in court by a group of people. I am committed to ensuring ICCSC remains a Masjid that operates according to the Qur'an and the Sunnah of Prophet Muhammad (SAW), and to advancing construction according to the original plan, with all collected funds used solely for building the Masjid.

Islamic School:

Once legal matters are resolved, begin planning for a full-time Islamic school that provides strong academics grounded in Islamic values.

Youth Programs:

Hire a qualified youth director to lead relevant Islamic programs, discussions, and sports activities to increase youth engagement and development.
